New Client Agreement for Concourse Sports/Ergonomic Physiotherapy

Thank you for choosing Concourse Physiotherapy as your health provider – we truly appreciate your support and will do our absolute best to provide you with exceptional health care solutions for many years to come. To ensure we provide you and our other valued clients with the best possible care - it is important that you understand and agree to these terms and conditions as outlined below:

You hereby authorize the release of medical information as deemed necessary to process this claim to your private insurance, company benefit provider, Manitoba Public Insurance or the Workers Compensation Board of Manitoba. For your security, and privacy; the clinical space is under audio surveillance and there are security cameras every 10m within the parkade.

You hereby understand and release any or all personnel of Concourse Sports/Ergonomic Physiotherapy of liability, in relation to any/all form of treatment, advice, exercise, fee release, etc. upon this consent.

You hereby consent to treatment as assessed and deemed necessary by those qualified physiotherapist(s) of Concourse Sports/Ergonomic Physiotherapy.

You agree to be on time or don't hesitate to contact us to change an appointment by phone 204-9438411 or text 204-2918412: All clients are expected to arrive on time for each and every appointment - we will do our absolute best to not keep you waiting also; as we don't even have a waiting room!

- 24 Hours Notice of Cancellation: as we are a busy and professional health provider - all clients must accept and agree to our cancellation policy – as failure to attend scheduled appointment not only disrupts your treatment progress but also takes the spot of another client who may have been able to attend in your place. If you are unable to attend a scheduled appointment you must give us 24 hours notice - otherwise a cancellation fee of current time billed will be charged.

**- as of 1st December, 2018, our Physiotherapy Initial Assessment is \$85
and any Subsequent Treatment fee is \$76**

(the current average fee in Downtown Winnipeg is \$89.25). If a client is negligent in payment of any fee(s) he/she will be charged a collection fee of \$100 deemed per Commercial Credit Adjusters, any current Small Claims Court fee(s) and any hourly loss of time fee(s) due to said collections.

Bookings Made in Advance- at the end of today's assessment, if our therapist believes we can help you and you agree with the treatment action plan proposed; your subsequent sessions may be booked in advance. The future booking of sessions allows you to get the most convenient treatment time for you and also increases the success of your treatment program. If your current insurance plan is near it's annual maximum coverage, please don't hesitate to ask about our Health Savings Plan (this may be covered by company health spending accounts or online credit card).

Referrals of co-workers, friends, family: Please use the business card attached to your pain map/action plan to give to co-workers, friends and family; write your name on the card and you will receive a \$25 gift card from one of our favorite coffee shops to enjoy.

We thank you in advance for your kind referrals and support.
